Continue on Wilson Street until you come to the stop light opposite Lowe's. Turn left on Dirigo Drive then turn left on Whiting Hill Road. The new cancer center is on your right.

Parking

Following the signs for CCOM – **General Parking** will lead you to our front door. If someone else is driving, you may be dropped off at the entrance, onto the sheltered sidewalk. Your driver may park in any of the nearby spots. If you are parking your car yourself, you should find several nearby spots located immediately in front of the **Lafayette Family Cancer Center** building. A member of our Courtesy Staff will be at the front door to greet you and assist with any needs you may have.
